

T U S K

2016

The 2016 Tusk is inky black in color with an Intense nose of red and dark fruit. Its flavor profiles dark plum, blackberry, red cherry, creme de cassis, layers of spices, baking soda and fresh wood. Full bodied, concentrated with layers of well integrated tannins from front to back adding great structure and texture to the wine. The finish is perfectly balanced between the acidity, structure and richness.
