The 2021 vintage in Napa Valley resulted in smaller berries and smaller yields but with deep concentration, and beautiful freshness & acidity.

The wine, with its well-integrated tannins, is classically powerful and textural without being heavy.

Red & black fruits dominate with subtle accents of cardamom, chocolate, cedar, and pine making for a beautiful wine.

The 2021 vintage embodies the classic purity, silkiness & focus you can expect from Tusk Estates.

This is a wine showing well now but will continue to age beautifully for years to come.
