2022

The 2022 Tusk Cabernet Sauvignon is a commanding yet finely balanced expression of Napa Valley terroir, showcasing exceptional craftsmanship and elegance. The nose opens with a seductive bouquet of ripe plum and lush Amarena cherry, layered seamlessly with exotic spices—cardamom, clove, and a hint of anise—that deepen the aromatic complexity. On the palate, this wine is richly textured and boldly structured.

Powerful, mouthcoating tannins provide a dense yet polished framework, while a core of dark fruit is lifted by vibrant mouthwatering acidity, bringing great freshness and drive. Notes of cedar and dried thyme weave through the mid-palate, adding savory nuance and further dimension. The balanced body supports the wine's weight and intensity without ever feeling overbearing. The finish is long, persistent, and layered, echoing spice, fruit, and a subtle earthiness that speaks to its aging potential. A stellar vintage, the 2022 Tusk delivers both immediacy and promise—a wine of depth, poise, and enduring character.
